

► SUMMARY

I'm an aspiring web developer with a background in technical communication. I'm passionate about front-end development, the challenge of fixing bugs, and the Oxford comma. I'm one of those people that reads through the terms & conditions. Let's get to know each other!

► EMPLOYMENT

TRANZACT

RALEIGH, NC

JR. FRONT-END DEVELOPER

MAY 2016 TO FEB 2017
